This was a wonderful in depth Bible study on Ecclesiastes. I was able to relate to things Solomon talked about. It is a guideline for what is important in living life not what the rest of the world states is important.

I can't wait to start this Bible study. Most Bible studies I have tried were above my head. Darlene makes them easy and gives you keys to be able to dig deeper into Gods word. I find it challenging as well to keep me looking forward to doing next days study. I have been able to stay with her Philippines Bible study.

This is a great study guide for the book of Ecclesiastes! Great questions that get you thinking and to drive deeper into your relationship with Christ! This has helped me so much & has given me a different perspective on life!

I am enjoying this study very much. Definitely learning more with the book than without.

Excellent study! Courtney and her mom do not disappoint. Well laid out and I can tell hours of research went into this study. I hope this is the first of many for this dynamic duo.

This was a great study book. I looked forward to each day of study. The daily breakdown of chapters made it easy to take my time and not feel rushed to get finished..

I really enjoyed this Bible study. I like Courtney's way of reading the Bible and the use of color coding. I would order another one of her studies.

I have really enjoyed this study and all of the Good Morning Girls studies. I am leading a group through Ecclesiastes and am getting positive feedback on this study.
