Barron's AP Statistics Flash Cards, 2nd Edition

Synopsis

Questions and answers on this set of more than 450 flash cards encompass four general statistics-based themes: exploratory analysis, planning a study, probability, and statistical inference. New to this edition are 50 extra multiple-choice questions that cover all topics. The cards measure 4 1/2" x 2 3/4" and have a punch-hole in one corner that accommodates an enclosed metal key-ring-style card holder. The ring allows students to arrange the flash cards in any sequence that suits their study needs. A valuable study aid, whether used alone or in tandem with Barron's AP Statistics review book. BONUS! An exclusive online exam included with the purchase of the flash cards.

Marty Sternstein is a Professor of Mathematics at Ithaca College where he has taught since 1970, except for one year as Visiting Professor and Head of the Math Dept at the University of the Virgin Islands, St. Croix, and two years as Fulbright Professor and Math Dept Chair at the University of Liberia in West Africa. He has written textbooks in Calculus and Statistics, has been honored with numerous teaching awards, and has developed new curricula, including an ethnomathematics class, "Math in Africa," and the first U.S. course for college credit in chess theory. Marty has strong interests in national educational and social issues concerning equal access to math education for all.

My son uses these every day in his AP Stats class. He said they're very helpful and doesn't need an AP statistics review book as a result. Cost savings and classroom uses are both a benefit.

It was just what I needed for tutoring.

Great product for AP studies

You don't really need to buy the flashcards for So stats in order to pass the exam

Not what I expected

Very disappointing. If you already have the first edition, DO NOT purchase these. The cards are exactly the same with 50 more multiple choice. A waste of money! I emailed Barron's before purchasing to ask if the cards were the same, and I heard nothing from them.
