Customer Reviews

I should have paid attention to the other reviews because I ALSO didn't get my separate violin part. This is the piano part ONLY. Totally useless with just the piano part, so I will be returning this stupid thing.

Did NOT come with separate violin part, despite earlier review. Very disappointing.

I needed this music right away for my son's solo and ensemble competition. I was worried because a prior reviewer indicated that the separate violin part was not included. I'm happy to report that it is included. There is both a piece with piano score as well as a separate violin piece. The item came brand-new in great condition and very happy.

I also didn't get my separate violin part. This is the piano part ONLY.

There is no violin part.

There is NO violin part included in this.

Missing the violin part also.

Where is the violin part?
