Synopsis

Buy the Paperback, get the Kindle version for free! Many of the Book of Enoch books available are in fact public domain (the R. H. Charles version of 1917) which means they can be given away to anyone for free, by anyone. This book is NOT one of those. What is the problem with public domain versions? They are full of errors, as they are around 100 years old and out-dated scholarship. Sure, they might be cheap, but most of the information is wrong. World renowned scholar Dr. A. Nyland has a doctorate in ancient languages and word meaning. She was a college professor at the University of New England, Australia, lecturing in ancient languages. She has appeared on television and radio numerous times speaking about ancient languages and ancient peoples. These days, many non-translators (some of whom actually claim to be translators) sell the public domain version of 1917 by R.H. Charles (both as is, and also disguised by slight rewording) as a commercial venture. This version reflects the knowledge of The Book of Enoch as it was back in 1917. Great advances have been made since then. This (all 3 Books of Enoch) is a NEW (2010) and easy-to-read translation by ancient languages scholar Dr. A. Nyland and is NOT the 1917 R.H. Charles Public Domain translation of The Book of Enoch. The Book of Enoch is of importance to theosophy, mysticism and angelology and demonology. This book is an easy-to-read translation with cross references, copious background notes, and notes. This new translation by Dr. A. Nyland contains all 3 Books of Enoch: 1) 1 Book of Enoch (Also called The Ethiopic Book of Enoch) 2) 2 Book of Enoch (Also called The Slavonic Book of Enoch, The Secrets of Enoch). Also contains the extended version of 2 The Book of Enoch, The Exaltation of Melchizedek. 3) 3 Book of Enoch (Also called The Hebrew Book of Enoch) The Books of Enoch are of interest to a wide audience: theosophy, mysticism. 1 Book of Enoch tells of the Watchers, a class of angel, who taught humans weapons, spell potions, root cuttings, astrology, astronomy, and alchemy. The Watchers also had sex with human women and produced the Nephilim. For this, they were imprisoned and cast into Tartarus. This is also mentioned in the New Testament. In 2 Book of Enoch, two angels take Enoch through the 7 heavens. This volume contains the extended version of 2 Book of Enoch, The Exaltation of Melchizedek. In 3 Book of Enoch, Enoch ascends to heaven and is transformed into the angel Metatron. This is about the Merkabah and is of interest to those who study mysticism and magic, and Kabbalah. People interested in theosophy or mysticism will find this book invaluable, as will Rosicrucians.

Dr. A. Nyland spent her time on Faculty at the University of New England, Australia, teaching ancient grammar. She is the best selling translator of such books as The Complete Books of Enoch and author of What Were the Watchers? as well as Nephilim and Giants. The information based on her books is not based on her own opinions, but is presented with a view to getting actual facts out there. This is harder and harder in this day and age with misinformation spreading like wildfire on the net, driven by all the books by authors who know no ancient languages, and get their information from English translations rather than the original texts. It is futile to research ancient texts in English translation.

I have really enjoyed reading these books. Once I started reading I didn't want to stop. The authors commentary and notes were very helpful. The information contained in these books is very thought provoking. I highly recommend the reading of these books to all.

This is excellent,however,it takes some time to read

Good stuff

great

Read it , very insightful

From a few short words in the Old Testament about a man who appeared and disappeared, Enoch - comes alive with a remarkable story. More, Enoch's translated books shed light on his forebear Adam and his antecedents Methuselah, Melchizedek and Noah. Plus, the greatest bonus of all is that his books give names and understanding about angels, archangels, fallen angels "the watchers", the Nephilim, and the "Ancient of Days" - God. We don't know anything much about Dr Nyland the translator. This needs more info - but he's helped us understand much more. Thank you.

I'm enjoying this authors interpretation of the Complete Books of Enoch. I'm not as knowledgeable of these books as I feel I should be, from what I'm reading, it is amazing , the truths I am learning. I haven't finished the book as of yet, but I am not disappointed. I will recommend this author to others.

Fast shipping and very decently written. I'd recommend this to a good friend. Good value. Could it be 'better'? Not at this price and it's level of information is all I was looking for my Theological Studies and Library.
