How to Do What Jesus Did Do you have problems in life that won't go away? Struggles you can't seem to overcome? It isn't surprising. Like it or not, you are immersed in an invisible war. The problem is, most of us don't know how significantly, or directly, our lives are influenced by unseen battles and beings. Jesus Himself is our model. He taught us how to fight. Here, respected teacher and bestselling author Larry Richards draws not only from the words of Jesus, but also from His actions in dealing with evil spirits, to offer a biblical, balanced approach to spiritual warfare. Richards explains how to recognize the enemy's attacks today, prepare to face the enemy, experience big and little everyday victories, help others who are under attack, and more! Easy to follow and immediately practical, this handbook will help you become an instrument of God's redemptive grace, continuing Christ's ministry of setting Satan's captives--and yourself--free. "Larry is a truly amazing gift to the Bride of Christ. His expertise and depth of wisdom concerning spiritual warfare are solidly biblical and profoundly practical. Read this book from cover to cover and then pass along these transforming truths." --Karl Clauson, morning host, Moody Radio Chicago

Larry Richards holds a BA in philosophy from the University of Michigan, a ThM in Christian

education from Dallas Theological Seminary, and a PhD in religious education and social psychology from Garrett Biblical Seminary and Northwestern University joint

This book is one of those "LIFE CHANGERS"!!! I so wish I had been more fully aware of this spiritual world and the battle waged long before our creation, earlier in my life. It makes complete sense! And, most importantly, Dr. Richards follows the biblical accounts of JESUS and how He identified and addressed such evil spirits. I've already implemented such strategies and power with authority in my own life over my 2 decade long struggle with anxiety and depression- and have experienced such lifting of dark clouds, clarity, and daily strength to move forward in life like never before!!!! I bought extra copies of this, and have already given to 3 friends. I will absolutely be leading my next ladies bible study on this book. Knowledge is power, power to live a better life, IF applied. Luke 10:17 "The seventy returned to Jesus with such amazement and joy saying, 'Lord, even the demons obey us in the power of Your name!'"

Great info, that more christians need to know and put into practice.

Do you have problems with health, or financially, or perhaps in some other area? The author suggests that the solution could be a spiritual one. Mr. Richards believes there is just as much spiritual warfare today as there was when Jesus walked the earth, and contends we need to get rid of the evil influences in our lives the same way Jesus did. He outlines ways to determine if something is an organic problem, which could be solved by medical means, or if it is an issue in the spiritual realm. If it is the latter, Mr. Richards gives a method to get rid of satanic presences. Included are warnings to be careful to make certain that it is indeed a supernatural situation before

beginning the process. This is an easily read 5-star book, with clear instructions written from a Christian viewpoint. The author has lots of experience in spiritual warfare and overcoming evil influences. He also holds a doctorate in religious education along with social psychology, and is a former instructor at Wheaten College Graduate School. Mr. Richards has authored over two hundred books. This subject matter is one I do not have a lot of experience with, but believe this is a valid concern and should be considered, as well as, prayed about. I would also recommend turning to the Bible for guidance as well. The publisher has provided me with a complimentary copy of this book through Chosen Books and Bethany House Publishing for the purpose of review. All opinions expressed are my own, and I was not required, or influenced, to give anything but an honest appraisal. Despite my receiving the book free, it has not influenced my judgment.
