Leisure Arts is a leading publisher and distributor of how-to and lifestyle publications with emphasis on creative crafts, needlework, decorating, and entertaining. Leisure Arts is located in Little Rock, AR.

I don't buy cross-stitch books much anymore but I needed an alphabet and wanted one that was fun and bright. This was perfect with several to choose from and it arrived a little early. That's always nice.

Mary Engelbreit: Cross Stitch Alphabets with Personality (Leisure Arts #4257) I love the various alphabets in this book. I also like the charts being in color. The only complaint is that there are no

lower case letters to correspond to the upper case letters in each style. The cover shows lowercase, but alas, it is only for one project. I suppose there are some crafters more clever than I who would know how to design the lower case letters.

I've been looking for some of her adorable fonts FOREVER and now I've finally got them. I'm making the cutest pieces now! :)

As always, Mary Engelbriet's creations are just precious. I love this little book of cross stitch alphabets and can't wait to start embellishing things.
