The Crocheter's Treasure Chest: 80 Classic Patterns For Tablecloths, Bedspreads, Doilies And Edgings (Dover Knitting, Crochet, Tatting, Lace)

Synopsis

Beautiful crocheted items that enhanced interior furnishing generations ago are once again in the needlecraft spotlight. For this outstanding collection of classic crochet patterns, needlework authority Mary Carolyn Waldrep has selected for today's needleworker a variety of attractive designs that first appeared in now-rare thread-company instruction leaflets of the 1930s through the '50s. Included in The Crocheter's Treasure Chest are patterns for a lovely tablecloth with a rose motif, a floral-patterned refreshment set (comprising coasters and a larger doily), an elegant series of wide edgings displaying scallops, florals, and filet mesh; a tea-cart cloth with lacy petal designs; a magnificent "Cameo" bedspread; the "Chrysanthemum," a charming tablecloth composed of delicate medallions beautiful enough to complement any table arrangement; and dozens of other eye-catching pieces. A complete list of necessary materials accompanies each pattern, while more than 65 illustrations and detailed, row-by-row instructions guide beginning and advanced needleworkers through each step of the crocheting process. Here's a rich anthology of heirloom-quality designs that crocheters are sure to find inspirational and irresistible.

Customer Reviews

Lovely patterns and eager to start some of these

Beautiful patterns

Nothing really special in this book

This is a wonderful collection of crochet patterns, many vintage. My mom loved it! Would recommend to anyone seeking patterns from yester-year.

A book full of gorgeous, delicate patterns. I just hope the project in mind will turn out as lovely as the pictures promise :)

Book is full of hard to find patterns. I love this book. Prompt delivery and book is in Excellent condition. You will not be disappointed. Thank you!

Patterns written out row by row. Some lovely vintage designs. Can't wait to sink my crochet needle into these.

Great book
