Amazingly Easy Phrasal Verbs makes learning phrasal verbs incredibly easy and enjoyable. The unique learning method means you'll learn them really fast and remember them for ever! It's like nothing you've ever seen or used before and you'll be amazed with the results! Amazingly Easy Phrasal Verbs teaches differently by:- focusing on the most important and used phrasal verbs- placing phrasal verbs within a single, ongoing story - one of the oldest and best learning techniques known to man!- introduces one new phrasal verb per paragraph- repeats this showing its different uses and collocations- introduces just 5 - 7 phrasal verbs per chapter (the optimum number of pieces of new information that can be learnt at once)-provides chapter by chapter tests to reinforce and check understanding

What people have said:

Jose - This is a very good book to learn about phrasal verbs. I really have problems with this verbs and I have been learning a lot since I bought it.

Ali Behseresht - As the name of book shows it is an amazing book. I recommend it to whom are learning English as a second language. Thanks George.

Gema - Me ha resultado muy ameno de leer y creo que es una forma más entretenida de aprender los phrasal verbs.

Customer Reviews

This is a great (e)-book for those who are not native speakers of English. I have been living in the U.S. for a couple of years and I find phrasal verbs one of the most difficult things to learn. The author has a very unique way of teaching phrasal verbs that is actually fun to read. Phrasal verbs are actually used in mini stories that wouldn't bore you. I would recommend this book to both intermediate and advanced English learners.

It is my first review on the review page. No need to say a lot of words. No need to recommend it more. Just buy it on this price. If you've suffered from Phrasal Verbs... The writer knows that how to make people memorize the phrasal verbs. His approaches takes the typical way in order to memorize

something but it's really efficient way and easy. As a matter of fact, I read the book written by Dominic O'Brian who is the proper memory magician. His approach takes the common methods to memorize verbs similarly same as Dominic's offered in that book.

I love the lot of useful examples you used

Nice little book

Really interesting and effective way to learn phrasal verbs.

Completely bowled me over. Please come up with second volume of the book.

I love it!

This book was recommended by my teacher. It's funny. Very helpful and really easy to remember verbs. It could expand your vocabulary.
