Deborah Phillips has taught courses and led workshops and seminars worldwide for many, many years on preparing test-takers for standardized tests such as TOEFL, GMAT, GRE, and SAT. She is the author of a long-standing series of TOEFL preparation books, CD-ROMS, and teacher materials, the Longman Preparation Course for the TOEFL Test, and is now publishing preparation materials for other standardized tests that are based on the methodologies she has employed in her decades of experience in preparing test-takers for these standardized tests.

Very good ^^

nice

The book doesn't follow the Toefl IBT test pattern. The type of the speaking question presented in the book are totally different than the type of the question in the real Toefl exam.

The book was new and clean. I liked it! But you didn't mention that somebody wrote some notes on certain pages. But I love the book so I don't mind (next time let your customers know about every detail). Thank u

This book is in a very good condition. Thank you very much.

Very good and according to my order

The book was in very good conditions!

Books is really good, but if your level of English is not good enough its difficult to prepare by yourself. You should have had at least upper intermediate level of English.
