It lacks of speaking and writing revision of our answer on MyEnglishLab/toefl/ibt; if we are not in a course with a teacher we don't have anybody who can tell us what's wrong with these exercises. It could be better if they give us a warming about this if we decide to study by ourselves.

This updated Longman Preparation text provides teachers with a variety of strategies and tips and practice activities to prepare students for each section of the TOEFL. The tips are particularly useful.

This is what I want, super fast shipping, it was delivered the day before my class start. Thank you!

Quick delivering, cost-efficient purchasing.
