The Girl From The Other Side: SiÃ°il, A RÃ°n Vol. 1

Synopsis

An ethereal fantasy from the editorial team behind the New York Times bestselling series *The Ancient Magus' Bride*. *The Girl From the Other Side: Siŕil, a Rŕn* is an all-new manga series that pulls readers into a magical and enchanting tale about a young girl and her demonic guardian. A haunting story of love and fantastical creatures, *The Girl From the Other Side: Siŕil, a Rŕn* is a gorgeously-illustrated manga series. Each volume in the series will be released with a beautifully-textured matte finish cover and will include at least one full-color insert. In a world split between the Inside and the Outside, those living in both realms are told never to cross over to the other side, lest they be cursed. A young girl named Shiva lives on the other side, in a vacant village with a demonic guardian known only as "Teacher." Although the two are forbidden to touch, they seem to share a bond that transcends their disparate appearances. But when Shiva leaves Teacher's care to seek out her grandmother, the secret behind her mysterious living arrangement comes to light.

Customer Reviews

Nagabe is a manga creator best known for their series *The Girl From the Other Side: Siŕil, a Rŕn*.

A beautiful, dimly-lit fairy tale, full of mystery and intrigue!

I love how the characters are portrayed. Love this series!

It's a charming story with a sort of old storybook illustration style. I can't wait to see how it progresses.

the story is very nice and very mysterious.

LOve this SO much---can't wait for the next volume. The premise and the artwork are both amazing. Love love love.

Amazing and fast shipping too! The quality is amazing. Totally worth it!!

Just read this and so far it is very good. Reminds me a lot of the ancient magus bride, you have a girl (small child) and some kind of cursed beast that is taking care and protecting the girl after she was abandoned. It seems like a sad but kind of cute story like the ancient magus bride, it's got that dark atmosphere but still has cute scenes. This is all based off the first volume so the cute scenes could very well go away depending how the story goes after the last page.

Amazing
