Customer Reviews

Anyone not familiar with Albeniz should obtain this book just to work on Prelude No. 1. It is the ultimate classic Spanish melody with surprises galore. Cantos De Espana Opus 232 contains Prelude, Orientale, Sous Le Palmier, Cordoba and Seguidillas. Listen to these on youtube.com to see how enchanting this Spanish music is if you are not familiar, and order this book for many hours of interesting practice sessions in a Spanish state of mind. The quality of this booklet is extremely high. Printed in Madrid with highly legible notes and thorough fingering. A great addition to any keyboardist's library (it is my 274th music book).
