Jihad And Death: The Global Appeal Of Islamic State

Synopsis

How has Islamic State been able to muster support far beyond its initial constituency in the Arab world and attract tens of thousands of foreign volunteers, including converts to Islam, and seemingly countless supporters online? In this compelling intervention into the debate about Islamic State's origins and future prospects, the renowned French political scientist, Olivier Roy, argues that while terrorism and jihadism are familiar phenomena, the group's deliberate pursuit of death has produced a new kind of radical violence. In other words, we're facing not a radicalization of Islam, but the Islamization of radicalism. Indeed, Roy argues, young European Muslims drawn to IS are attracted to the organization's violent means rather than utopian dreams of a caliphate. He places IS in the context of other radical millennialist groups such as China's Red Guards, Cambodia's Khmer Rouge, and Uganda's Lord's Resistance Army. In doing so, he shows that violence, not religious fundamentalism, is the central thread connecting young people who are drawn to radical groups. *Jihad and Death* is a concise dissection of the highly sophisticated narrative mobilized by IS: the myth of the caliphate recast into a modern story of heroism and nihilism.

Book Information

Hardcover: 136 pages

Publisher: Oxford University Press; Tra edition (July 5, 2017)

Language: English

ISBN-10: 0190843632

ISBN-13: 978-0190843632

Product Dimensions: 8.4 x 0.8 x 5.7 inches
