A Taste For War: The Culinary History Of The Blue And The Gray

Synopsis

"[Hardtack was] positively unsuitable fodder for anything that claims to be human...and I think it no exaggeration to say that any intelligent pig possessing the least spark of pride would have considered it a pure insult to have them put into his swill." (Wilbur Fisk, Civil War soldier). We know the uniforms they wore, the weapons they carried, and the battles they fought, but what did they eat and, of even greater curiosity, was it any good? Now, for the very first time, the food that fueled the armies of the North and the South and the soldiers' opinions of it--ranging from the sublime to just slime--is front and center in a biting, fascinating look at the Civil War as written by one of its most respected historians. There's even a comprehensive "cookbook" of actual recipes included for those intrepid enough to try a taste of the Civil War.

Book Information

Hardcover: 240 pages

Publisher: Stackpole Books; 1 edition (August 1, 2003)

Language: English

ISBN-10: 0811700186

ISBN-13: 978-0811700184

Product Dimensions: 9.3 x 6.2 x 1 inches

Customer Reviews

William C. Davis is director of programs for the Virginia Center for Civil War Studies and professor of history at Virginia Tech. He is the author of more than 40 books on Civil War and Southern history, including *Battle of Bull Run* (0811702022), *Orphan Brigade* (081171182X), *Duel between First Ironclads* (0811705366), and *Look Away!: A History of the Confederate States of America*.

I recently hosted the opening of a Civil War Exhibit on the Texas Gulf Coast. Edible items served at the opening were researched and derived from recipes featured in *A Taste for War*. Items were served in cast iron skillets and vintage travel trunks including the Confederate Chicken Rice Soup,

Hard Tack, Johnny Cakes and Corn Bread.....the presentation was a huge success...believe it or not, the hard tack was enjoyed by all.

A fascinating read for historians, both professional and casual, of the Civil War era. The recipes and anecdotes are particularly interesting. Reenactors will find a great deal they can use in their background here.

Really fun book. Lots of tasty tidbits of information. Covers North and South very well and fringes into civilian food availability. Gives a good feel for what really happened and why. I would not say it makes me hungry to read it with some of the food choices!! woohoooo. Yummy. It will make your modern food choices seem simply amazing.

This book was recommended to me by a Civil War reenactor. I am very pleased with the book (glanced through it) so far. Would be great for any enthusiast of the Civil War or someone who loves cookin.

Good history of chow during the Civil War along with recipes that we'll be using at reenactments.

I bought this for a friend who is a re-enactor of the Civil War. He has found this book to be of interest during some of their encampments.

Well written and researched. Entertaining read!

Great book, I'm glad I didn't fight in the Civil war like my great great great grandfather. I love hard tack with soup.
