Maurice Ravel - Collected Songs - High Voice

Synopsis

(Vocal Collection). The melodies of Maurice Ravel (1875-1937) span the entire chronology of his creative output, from his earliest song, written during his student years, to the cycle *Don Quichotte à Dulcineé*, his last composition in any genre. Ravel's vocal melodies are elegant and refined, classical in their phrase structure, with meticulous attention to detail. The diverse musical influences on his song style range from French Baroque music, to his teacher Gabriel Faure, to Arnold Schoenberg. This is the first comprehensive collection of Ravel songs ever published. There are 50 songs in the High Voice volume, and 49 songs in the Medium/Low Voice volume. The collection also includes excerpts from the opera *L'Enfant et les Sortiléges*.

Customer Reviews

Yes. Complete and for High Voice -- rare and had to find. Seller was excellent and persistent when USPS got off track. Already started working on the songs. Exquisite.

This is an excellent collection of Ravel's vocal music. The print is clear and the page turn is perfect for pianists. I love it!
