"Feeling anxious? A bit panicky? Fear not â" cartoonist and self-proclaimed World Champion Overthinker Gemma Correll is here to help you laugh about it."Â (National Public Radio)"A brief, fun tour of a talented artistâ™s enjoyable works, perfect for a coffee table or gift for the millennial in your life."Â (The A.V. Club)"These comics are the perfect antidote for twentysomethings who take themselves too seriously."Â (Sarah Hunter, Booklist)#4 of the "20 Female Instagram Artists You Should Follow Immediately"Â (Madeline Buxton, Refinery29)"Dealing with a mental health condition is no laughing matter. But British illustrator Gemma Correll is channeling her depression and anxiety into her artâ"and the results are hilarious."Â (Elyse Wanshel, The Huffington Post)

Gemma Correll is a young English illustrator, cartoonist, and generally quite small person. She and

her trusty pug sidekicks, Bella and Mr. Norman Pickles, will soon be leaving the land of their births for a new life in the very large country of America. Wish them luck!

I had high hopes for this book as a fan of comics, dry humor, and self-deprecation. However, I found very little to even smile at in this book, never mind laugh at. If I had it to do over, I would pass on this one.

So funny. I preordered myself a copy - after receiving it, I then ordered 2 more copies for friends' gifts. Will probably end up buying more copies.

Perfect to give me a little inspiration every morning!

The best book I've ever purchased!

Hysterical and relatable this book really helped me to laugh at myself (in a really good and healthy way). Gemma Correll is brilliant. Definitely add this book to your collection.

I have been a huge fan of Gemma's work for a long time. I love the way that she represents herself (and her dogs!) in her own work. As a person who suffers from anxiety and overthinking, I loved seeing my own fears depicted with humor in a way that was not patronizing.

It makes my daughter laugh out loud and that is what she needs the most. Thank you Gemma!

Expected it to be funnier
