Customer Reviews

I was very unhappy with this coloring book. It would be great for kids. There are 18 pictures, 5 out of those, are pretty.. The paper is good and one sided, that's what the stars are for. If I had known how bad this was , I would not have ordered.

Really love this. Great flower pictures and a nice break from teeny tiny details of some books. Very enjoyable!

Great book if interested in coloring flowers which happens to be my favorite coloring choice.

Love the pictures. A good book for beginners

Fast shipping. Cute coloring book for relaxing coloring.

Beautiful

I like that it was a mixture of easy and hard pictures

I bought this for my mother and she loved it.
