Customer Reviews

This music selection is everything you would want. I have to say that it was Oh Such a Beautiful Morning on the day it arrived when I could sit down at the piano and play: Many a New Day, Out of My Dreams, Oklahoma, People Will Say We're in Love, Kansas City, and all the others that made the musical, Oklahoma, such a great production. Buy the score now and you won't be disappointed.

This is a re-issue of the original vocal selections sheet music. Most of the songs are in the original key and are reduced from the full score. It's a great addition to any musician interested in Broadway scores. More serious musicians should explore the full score if you can find a copy. Difficulty level: medium difficulty. "Surrey With the Fringe" is about the most challenging...needing a careful

fingering.

Excellent songbook with beloved collection of songs from "Oklahoma!" It includes all your favorites in easy to play instrumentation.

This is a terrific collection of wonderful songs, not only worth singing and hearing, but worth learning even for their history.

Didn't have all the songs.
