Customer Reviews

For almost 80 years, Kaplan Test Prep (www.kaptest.com) has been helping students grow their knowledge, skills and confidence so they can be their best on Test Day. Our prep books and online resources provide the expert guidance that students need at every step of their educational journey â€” incorporating years of test-specific data and strategies tested by Kaplan students and our own expert psychometricians.Â After helping millions of students, we know what works. Our guides deliver knowledge with clarity and simplicity while focusing on the specialized strategies that keep test-takers ahead of the clock and at the top of their game.Â We offer preparation for more than 90 standardized tests â€” including entrance exams for secondary school, college, and graduate school, as well as professional licensing exams for attorneys, physicians, and nurses.Â With a full array of self-paced and live online courses, as well as print books and mobile apps, you can use Kaplan to study on your own schedule and at your own speed. Kaplanâ€™s private tutors and admissions consultants supplement those offerings with one-on-one support.

The Kaplan books are excellent, however they claim to have the online and mobile versions available here in this packet that I haven't been able to access. If anyone could else whose bought this book could help I'd appreciate it. Thank you.

I haven't tried accessing the online aid, but the books are getting the job done!

Definitely worth the money.

The guide does have a few math errors, but it's still a very good guide to get a general idea about the GRE Test and how to prep for it.

This should help, but I'm probably going to fail anyway. Oh well, a Doctor who has a "C Average" in college is still a doctor.

very cheap and good alternative to a class. highly recommend

Nice

Received in great condition and in a timely manner. The books are very helpful. Highly recommend.
