The Truth About Man - Biblical Study Of The Doctrine Of Man

Synopsis

Through a guided study of God's own words, and under various systematic headings, The Truth about Man unfolds the desperate condition of humanity. As the second part in a series of rich, biblical studies, this workbook provides the reader with a no-nonsense Bible study on a fundamental tenant of the Christian gospel the lost condition of man. Like the previous book, The One True God, this workbook keeps the student engaged directly with the Bible throughout the entire study. It is intended not just to teach truth, but to lead to an encounter with the living God and a deeper understanding of the magnitude of our salvation by demonstrating man's true need of God's redemption. In this study students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book includes very little of such material and instead focuses on digesting the Scriptures directly. Learning in this way, the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. The study of doctrine is both an intellectual and devotional discipline. Therefore students are encouraged throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material and requires we give searching thought to God's assertions about man. The Truth about Man is especially suited for the following contexts: (1) doctrinal training for new and old converts, (2) college and adult group Bible studies, (3) private study, (4) Christian or home school curriculum, (5) Sunday school material, (6) an aid to parents in teaching the Word of God to their family.

Customer Reviews

Paul Washer's "The Truth About Man" will help you have a clear understanding of who man really is according to the Bible. The Gospel is called "Good News" for a reason. But what makes the Gospel good news? Well my friend, it's the bad news that makes the good news of the Gospel so wonderful and in "The Truth About Man" you will see yourself and all of mankind in the true light of scripture, not Mr. Washer's opinion, and understand why the Gospel is the best news you, the world, or I will ever hear!

His anointing is in teaching the unadulterated Word of God, without error or washed down to make it more palatable! He teaches the truth of God' Word, as it should be taught, that we may receive it in the Spirit of truth and benefit from it. The Gospel of Christ is the power of salvation to everyone who believes it, if it remains pure and unchanged in any way. This is a great buy, the book itself was in perfect condition, and will be put to good use. Glory to God and peace be to all who love Him in sincerity!

Love it

This is a great study tool for anyone of any level. This workbook would be very good for a new Christian wanting to know more about doctrine; and it is good for people like me that from time to time become very abstract in their Bible study. This workbook keeps me on task.

Paul Washer is just an incredible man. This book fully opens up the truth about man. It is so colorful in the truth and "meaty"--if that makes sense to anyone. If you really want to understand the human race for godly action, get this book and his next one, "The One True God". I am about to go to YWAM MDTs and these books will prepare me quite well. Thanks Mr. Washer! I so want to meet you one day!

This book is a great value and a wonderful Bible study. It takes you through the gospel and about the need of man. I would recommend every church use this as one of their introductory Bible studies. It is very sound and primarily Biblically based and not a bunch of filler.

I'll just make this short and sweet. Anything by Paul Washer (books, sermons) gets a five star rating from me. Watch one of his videos on Youtube or listen to one of his many sermons on www.sermonaudio.com and you'll see and hear a true servant of our Lord and Saviour, Jesus Christ!

--

This is an amazing series and I would recommend this to anyone wanting to know more about the Christian faith. It is a fantastic resource for teens and older, new or older Christians or even someone checking out Christianity. One of my top 5 Christian resources. Check out the first book--The One True God!!
