If you have not read the book, 40 Days through Revelation" by Ron Rhodes then you are missing

out on a great read. It is a workbook/book that reads like a book and is hard to put down. It is only 40 days and the chapters are only about 4 to 5 pages long and in a reasonable size font. Not a tiny or real small font at all. It takes Revelation and teaches it in bite size chunks that are easy to understand. I highly recommend this book and it is not expensive. I paid only \$8.50 for it on . Seriously, if you're interested in understanding this book of the bible then please consider this book. I am not helping the author at all and I don't know him but, I know a great teaching tool when I see it and this one is awesome.

Thanks

So far I am enjoying the writings in this book. I am using it in a Bible study with a small group. Everything is backed by scripture, which I really like, it explains things clearly. To many people and churches are afraid of Revelations. Don't be, we need to know this material as well as the Bible from Gen - Rev. It all ties together.

Exactly as described and arrived on time. I'm happy with my purchase. :)

Powerful and Detailed Study of Revelation. Excellent and Clear Scholarship. You'll Understand what it's all about with a Solid Foundation. Superior.

Like this book helps me understand Bible book of Revelation better.

If you enjoy end times reads, this is a good one. Rhodes deals with the book of Revelation in a way that is very easily understood. I enjoy his writing and teaching style, so when I saw this book, I had to have it. He brings in relevant scriptures from both the Old and New Testaments. It's written in a format that allows you to cover the entire book in 40 days, but I couldn't wait that long! I've read several books on end times and the book of Revelation, but this one is probably the "easiest read" I have on the topic and book.

The book arrived in a timely fashion and the book explains the book of Revelation verse by verse in a way that you understand every word. Excellent book!
