Dr. John F. Walvoord succeeded Dr. Lewis Sperry Chafer as President of Dallas Theological Seminary after being associated with Dr. Chafer in teaching and administration for many years. Since 1986, Dr. Walvoord has served as Chancellor of the seminary. He is the author of numerous books, including The Church in Prophecy, Israel in Prophecy, The Nations in Prophecy, The Holy Spirit, and The Millennial Kingdom. Dr. Lewis Sperry Chafer, founder and first president of Dallas Theological Seminary until his death in 1952, was known internationally as a Bible teacher and lecturer. He served as Professor of Systematic Theology at Dallas and was the author of Systematic Theology, He That is Spiritual, Grace, and other works on biblical themes

This is a fantastic book. It's basically a summary of all that Dr. Chafer taught in all of his other books. It has study questions at the end of each chapter to help learning, especially for a study group. Even though this book was updated by John F. Walvoord (who studied under Dr. Chafer and followed him as the President of Dallas Theological Seminary) to reflect the contents of Dr. Chafer's completed Systematic Theology, I found nothing in it that contradicted anything else I've ever read by Dr. Chafer. I think Walvoord did a good job. This book is definitely worth the price, no matter in what format you get it in.

We actually use this book for our Men's Bible Study. It is a great book of theology if you take the time to absorb what they have expressed in everyday language and backed by scripture. Be sure to read the scriptures referenced and ponder the full topics and you will have a much better understanding of God and his person and his message.

I chose to give this work a five star rating because I could not recommend it enough. It is a book that is missing from the church, for it speaks of doctrine, something many churches are not aware of. That is, sound doctrine. I like this book because it is biblical doctrine, not denominational doctrine. I would recommend this book to anyone who would like to experience church, that is, true church. J. Barkley

We've used this book since 1982 for individual studies and Bible study groups. It's an excellent resource for studying the Bible. It's just as valuable for new Christians as it is helpful for mature

believers. The book contains 52 vital doctrines of the Bible, the cardinal doctrines that are essential for the understanding of Christianity and a Christian's growth. It features chapters on the "Bible," "God the Son," "God the Trinity," "God the Holy Spirit," "Satan," "Man," "The Church," "The Second Coming of Christ," and so much more. At the end of each chapter it has a short test which will be very helpful in Bible study groups as well as for individual studies. Everything is explained in an easy-to-understand format and it also discusses various viewpoints of a certain doctrine. This book is also helpful as a quick reference guide. We highly recommend this book!

I love this book. It's been a great resource to use in my bible study class. If you have a desire to deepen your understanding of the Major Bible Themes that are simplified and explained, then this book need to be in your library.

This book is very clearly written and easy to understand for the Christian interested in theology without attending seminary or the non-Christian seeking to understand what it's all about. It explains and ties together the fundamental doctrines of the Christian faith and documents each one with abundant scriptural references.

if you are looking for the real meanings of Biblical scripture, look no further. The book is laid out to take you from the beginning of the Old Testament to the end of the New Testament giving you insight into how the Bible is laid out, its themes (Major Bible Themes), and ask the really important questions. This book is a necessity for anyone wanting to really know the Word of God.,

Thank you!
