Symphony No. 3 ("Organ") (Dover Miniature Music Scores)

Synopsis

Dedicated to the memory of Franz Liszt, the composer's friend and mentor, Saint-Saëns' Symphony No. 3 ("Organ") ranks among the most important works in French symphonic music. In this work, Saint-Saëns achieves a synthesis of the traditional four-movement symphony with Liszt's characteristic thematic metamorphosis â" all forms of the theme being derived from the four-note "dies Irae" motif from the Gregorian mass for the dead. Ideal for use in the classroom, at home, or in the concert hall, this affordable new miniature-score edition offers music lovers, performers, and students an opportunity to study this masterpiece of the late Romantic repertoire in an accessible, convenient format.

Customer Reviews

Though a "miniature" score, this book is clear enough for the student to add harmonic analysis. I highly recommend this item!
