# Cinema Sewer Volume 3: The Adults Only Guide To History's Sickest And Sexiest Movies!

## Synopsis

The celebrated underground smash that is Cinema Sewer the magazine has been transformed and mutated into CINEMA SEWER: THE BOOK - and following the runaway success of the first two volumes, we're delighted to be unleashing VOLUME THREE onto a now slightly-less-unsuspecting world!A mind-melting compilation of gonzo writing, illustration and comics about the most insane, sexy, awkward, cheesy, hilarious, upsetting and jaw-dropping movies in the history of film, Cinema Sewer joyously celebrates the sleaziest aspects of the moviegoing experience, whilst delving deep into bizarre cinematic history.Author and comic artist Robin Bougie takes a dive to the bottom of the cesspool of sexploitation, doing so in a distinctive manner that has made him famous amongst a loyal following of cult film fans. If anything, Cinema Sewer acts as Robin's handmade journal, preserving the DIY 'zine aesthetic and carrying it kicking and screaming into the future via articles packed with bizarre trivia and personal insights about the movies your mama always warned you about.Issues 17 to 20 of this celebrated underground smash magazine are exhaustively revised and collated in this third wild volume, together with an additional 80 pages of never-before-seen interviews, rants, comics, hard-to-find classic movie advertising, and graphic illustrations by Bougie and a host of his talented friends from both the comic book and animation industries. Regardless of whether the reader is just discovering the world of classic porn, horror, and exploitation movies, or if they're a long time fan from the days when the drive-ins and grindhouses reigned, they'll find plenty to get excited about, gleefully sloshing around in the filth of the Cinema Sewer!

"Prepare to veer wildly between curiosity, arousal, disgust, laughter, disbelief, embarrassment, confusion and uncontrollable glee." -- David Bertrand, *The Nerve*"... the most thorough and heartfelt coverage of adult cinema I've ever seen." -- Dale Ashmun, *Psychotronic Magazine*

In 1997, underground comic artist and zine publisher Robin Bougie began Cinema Sewer magazine, an ode to the seamier side of film and the culture which surrounds it. Bougie used his geek knowledge, his artistic skills as comic book artist, and connections in the world of porn to give birth to this unseemly but loveable publication. Printed comic-sized on cruddy newsprint, the magazine found an audience amongst film fans looking for something totally different. Bougie contributes liner notes for dvd releases and has now self-published almost 80 comic books since he was 18.

Ahh, the first. To be the first reviewer of Cinema Sewer is the depraved cherry atop my degenerate sundae of moral awfulness... or should that be awesomeness? Volume 3 did not disappoint! It's just as chock full of vintage porn, exploitation film reviews, and amusing sleaze-hound anecdotes set in comic book form. I loved Volumes 1 and 2. Was glad to see the format and quality hadn't changed. And #3 actually (finally!) mentions H.P. Lovecraft which, I believe, was my only real gripe about the earlier Cinema Sewer books. I don't always share the author's particular taste, but I definitely get off on reading about his love for weird, sick, and outrageous films. The only Achilles heel I can think of is that Robin occasionally used the word "palatable" when he actually meant "palpable". A small thing, easily corrected in Volume #4 - which I eagerly await. Thanks for keeping the reprobate faith, hoss! By His loathsome tentacles, Venger As'Nas SatanisLpsissimus Cult of Cthulhu

The sleaze rolls on! Loved this book as it followed along in the tradition of the first two books. I cannot think of many bad things to say about this series except some of the hand printing of text can be hard to read, but that drawback is what lends it that personal feel that to me one of the best things about the book series. I must say that the books are some of the best movie related books that I have stumbled onto in years and for a reader who enjoys the lower aspect of movies, adult included, these books are not to be missed. Buy all three editions out right now as you will love them!

A bit less focused than the prior two installments, but Robin B's unabashed passion for the

twisted/bizarre side of human nature remains riveting. Potential readers should be warned that Bougie embraces films that range from eccentric and quirky to frankly repulsive. Great study in the darker side of human nature.

Simply a joy to read. So much esoteric knowledge for those who love b to z movies and an education of the porn cinema world. So much to read about in the time movies were made before digital, computers, and all the sophistication we are surrounded by today. A time when all seemed mysterious and possible before the sanitized world of CGI.

Too much gore, less titillation. I prefer the titillation.

Book is well written and illustrated. But, as much as I consider myself a "Liberal" thinking person, this book is just too much. Definitely XXX rated.

as usual Cinema Sewer puts out another amazing issue. I've loved everything they have done! The book came quick and in great condition!

Great read.
