American publisher and arranger Ross Junnickel (1875â1962) was a founder of the Baltimore Symphony Orchestra. Dover's violin consultant Stephanie Chase has performed around the world and teaches at NYU.

It arrived quickly and nicely sealed up but I am disappointed to find that a fair amount of the cello

music is in the tenor clef, not the bass clef.

Interesting, different pieces except for several that were transcriptions of old favorites. Nothing serious!

How can I buy this? It's a pig in a poke. The description has no table of contents, only a sample. I can't even tell if it's just the score or if it contains the parts for all the instruments. If I buy it, there's at least a 50% chance that I will have to return it. Then I have to schlep to the post office, stand on line, etc. Not worth my time. Should have people write the descriptions who are knowledgeable about classical music and the needs of the customers.
