Teach Your Teenager How To Drive A Car: Sequential Lessons For A New Driver (Learn To Drive Book 2)

Synopsis

Over 60,000 drivers are killed each year in auto accidents. Thousands more are injured, costing our nation billions of dollars! Teenage drivers alone were responsible for over 14,000 fatal crashes in the past 5 years! "Teach Your Teenager How to Drive a Car" will instruct parents: On how to effectively get their teenagers out onto the road safely and defensively. All the lessons on how to successfully teach a teenager how to drive a car are right here in a simple, easy to follow plan. On how to reinforce all the important skills and techniques associated with modern defensive driving! This book will also serve as a gentle reminder on how the adult instructor must serve as a role model each and every day for their new driver by demonstrating responsible driving habits and behaviors. "Teach Your Teenager How to Drive a Car" will provide new drivers with: All the lessons necessary to navigate our very complicated and hectic highway transportation system. The book progresses from the parking lot all the way to the skills of entering and driving on fast paced multi lane highways. All the proper skills and techniques necessary to handle a 2000 pound vehicle at high speeds both safely and defensively are right here! "Teach Your Teenager How to Drive a Car" will provide valuable lessons on: Proper car pre-start protocol. Handling the natural laws and driving forces. Driving in the city. Handling complicated intersections. Entering, driving on and exiting an expressway. Parallel parking, 3 point turns and angle parking. Handling emergency situations. Preparing for the road test. And much more! Driving a 2000 pound car at high speeds is no simple task. With the virtual demise of driver education programs in this country, increased pressure has been put on parents to effectively provide the driver education for their new drivers. Unfortunately most parents fail miserably, and really do not know where to begin when instructing their teenage drivers. Millions of dollars are spent on youth sports in america , but very little money is spent on the critical lifesaving skill of how to drive a car properly. Parents and teens download this book now and learn all the skills necessary to help keep you safe on the roads for the duration of your driving careers. "Teach Your Teenager How to Drive" will get you there! So scroll to the top of this page and download now!

Customer Reviews

This up-to-date, well-written book is a great teaching tool and reference source for not only student drivers, but for drivers of all ages. As a student driver, I now feel much more comfortable and informed when driving in cities, on expressways, and when handling potential emergencies.

This book provides basically everything a parent must know to ensure that their teen becomes the best driver they can be. This is a must buy

Very informative book, helped a lot. Easy to read and easy to understand. I'm glad I read it, I'm going to read it again before my test

provides great information for both new drivers and people that have been driving their whole lives. Highly recommend for all drivers

A must read for parents who are teaching kids to drive and it wouldn't hurt for the would be drivers to read it as well!

Includes many different sections that go through the details of learning how to drive. Highly recommended. Easy read.

Very helpful! This book is filled with important information that every driver should know.

Great book, a lot of important information
