Toccata And Fugue In D Minor And Other Great Masterpieces By Bach, Tchaikovsky, Wagner And Others: Transcribed For Piano

Synopsis

This single-volume edition of hard-to-find arrangements of famous classical pieces offers terrific value to intermediate and advanced pianists. Designed to offer musicians a chance to play familiar masterworks, the selections encompass transcriptions by famous pianists, some of whom are remembered today solely for these arrangements. Contents include "Ride of the Valkyries" and other works by Wagner, three versions of Brahms's "Lullaby," "Chanson Boh  me" from Bizet's Carmen, Beethoven's "Turkish March," "Waltz of the Flowers" from Tchaikovsky's Nutcracker, and pieces by Handel, Mendelssohn, Schubert, Strauss, and others.

Customer Reviews

The title is a bit misleading. Yes, it contains the Tausig version of the Toccata and Fugue in D minor, but the remaining contents are what you should buy this volume to own: Bach-d'Albert

Passacaglia in C minor Brahms-Cortot Lullaby Strauss-Schulz-Evler Blue Danube

Waltzes Offenbach-Moszkowski Barcarolle Schubert-Tausig Marche militaire Weber-Tausig Invitation to the Dance Albeniz-Godowsky Tango Bizet-Moszkowski Chanson Boheme from

Carmen Gluck-Sgambati Melody from Orfeo More... It is worth twice the price to own these rarities in one volume and there are even several simple arrangements an intermediate student can play. The draw is that all the transcriptions were by famous virtuoso pianists and are thus eminently playable and effective.

Great and reasonably priced anthology of virtuoso piano transcriptions, a repertory that started to fade 80+ years ago but has made a strong come back in the era of the Romantic revival.
