The recipes in this book are easy to make and delicious! I would recommend this book for those looking for a diet that helps you feel better!

Good points about the benefits of the diet. Good amount of recipes. Lots and lots of smoothie recipes. Lots of spelling errors, makes you wonder if the book was proofread.

This is a great little recipe book. I was lucky and got it at a drop down price, and I'm so glad I got it. Some of these recipes are yummy!

Ok ...I guess. I did not feel well on the diet. Probably a waste of my time and \$

This really is not for me. Maybe for someone who does not like carbs.
