Good stuff. Thank you.

Great Christmas present! Kids loved it!

Great

This look like she prints the paper of a copy machine she repeats herself no very helpful this book should be lower in price only like 8 pages not ver well explained At all

Any serious artist knows that their art education is ongoing and perpetual in its nature. This book is an excellent learning tool written by an excellent artist, and it has great credibility in my humble

opinion.

Took longer then though to get here but nice book
