The stickers are so pretty and you can't beat the price! Here are two Artist Trading Card I made with the fairies.

These quality Garden Fairy stickers authentic and a great price. There is a total of 16 stickers; four on each of the four pages. They range from two to two and a half inches in height.

Children LOVE to get mail, especially when it is a gift as lovely as this. With the prices at , I can surprise the children in my life with gifts that delight them.

These are very pretty and sweet. Again, I just wish there were more of them in the booklet. Great gift for a little girl who loves fairies.

I'm a kid at heart and have always loved to color. I am so glad that Dover has this line of coloring books that are so high quality and detailed that adults can use high quality colored pencils and be quite creative. They are so good to relax with and I do them when I watch TV as I cannot just sit there still and do nothing. This way I am not snacking and the hands are busy. I highly recommend these books to adults and teens. They are a bit too intricate for small children.

Daughter loved it. Excellent pictures and worth more than the price tag. Highly recommend.

just beautiful! That's not difficult to see from the cover! A wonderful coloring book for kids and adults!

had this as a kid , so I wanted to rebuy it the pages are thin and double sided
