The University Wine Course: A Wine Appreciation Text & Self Tutorial

Synopsis

For over 20 years the most widely used wine textbook in higher education courses, The University Wine Course provides a 12-week program for learning about wine in-depth, from sensory evaluation to the science of viticulture and winemaking. Written and organized in a à œuser friendlyâ • style, this book serves as a comprehensive-yet-easy resource for self-tutoring. Includes chapter exams and answers, study guides, lab exercises, final exams and extensive references and bibliography. Illustrated with appendixes on Wine & Food, Label Reading, Do-It-Yourself Labs, Student tasting notes and more. Dr. Baldy is a USDA award-winning professor of sciences who has operated her own vineyard and winery and has taught wine appreciation for academic credits to university students for over 20 years. A Teacherâ ™s Manual is available from the publisher.

Customer Reviews

Marian W. Baldy, PhD, holds a BA in microbiology and a PhD in genetics from the University of Californiaâ "Davis. She is a distinguished faculty member at California State University School of Agriculture and has taught a broad range of courses, including an introductory enology and wine appreciation. In 1999 Dr. Baldy was honored with US Department of Agriculture's Excellence in College and University Teaching in the Food and Agricultural Sciences award.

This book is being used as a study guide for a wine course as a number of the questions on the exam are taken from topics in the book. The book is very comprehensive without being too

technical. The material is well organized, easy to access and more than covers the points required for the necessary study. Excellent study guide/aid or as a resource for those who love wine.

I really like this book. It takes you step by step and provides reviews along the way. I'm a beginner. I don't think a more advanced person would find this helpful. The only complaint I have is that the print is so small, but since the book is large to begin with, I guess any larger print would mean printing two volumes.

Great condition

Wordy

A great book, used it as my bible when studying for all the WSET courses right up to Diploma level.

Navigating is difficult and there are many spelling errors. Not sure if it's the formatting or what.

Although the tasting exercises were difficult to assemble for someone tasting on their own the material was well written and informative,

wow i learned a lot of information and can not wait to use it on my next batch of home made wine
