But each page was a large piece of sturdy, colorful wrapping paper with gorgeous color, so I can't be too disappointed in that it only has four pages of paper. It does come with gift tapes included but I am so used to cutting a small of paper out to use that I just stored them away. I used up most of the paper in wrapping Christmas gifts with and my sister liked the quality of the paper. I will hopefully be able to buy more of this and the other giftwrap I had bought from at the same time which was the Audubon Birds. If there are other patterns I like, I can get those as well. The paper cuts well, covers the packaging completely, and will hold up to being shipped. No cuts or tears when it reached my sister's.

This wrapping paper is beautiful and of excellent quality. This is the first time I have purchased wrapping paper where it is packaged in a folder rather than roll, but this way I do not have to hold one end down with my elbow to cut to size. I wish they had larger sizes and all of the pieces were of the same design.

These gorgeous papers would certainly make your gift stand out. I bought this book of papers to use in my art projects. I am doing mixed media right now, and this is a nice weight for cutting up and glueing with matte medium. The colors are really pretty, and nice reproductions of Tiffany designs.

Very beautiful design. The paper is thick so you don't have to worry about tearing it. The sheets are good for small to medium size gifts. I am very happy with this purchase. I can't find anything like it where we live.

I've already used a sheet of this to wrap a gift and the results were stunning. The recipient liked the paper so much, she took a picture of the package with her phone before she opened it!

The quality and packaging of this paper is amazing! Very thick like wrapping paper used to be years ago! I can't wait to buy different designs!

This is good quality gift wrapping paper, perfect for small gifts. It works well as a wrapper for anyone who appreciates beauty. The colours are indeed as intense as they look on the screen, and the images are well printed. Larger gifts require you combine the paper- which requires some creativity and/or skill to pull off, but it's possible.

The cut of this paper makes it too small to wrap much of anything. Don't plan on shirt box size.
