Let Me Die

Synopsis

Let Me Die combines crime, romance and health and recounts the nightmare Elsie went through as she remembered the painful struggles her parents, mother especially, had to endure in the hands of caregivers and still died. Her hardwork to the top paid off. However, two of her three strayed children turned their lives around towards her, while the oldest lived his life in crime against her. His payment was jail time and little inheritance from Elsie's will. Rubby Nwonye combined his skills in fiction writing with knowledge and experience from healthcare industry to create a masterpiece of a story revolving around present day issues. He's been a columnist for examiner.com as Detroit finance examiner. His articles have been published in Nigerian newspapers. Let Me Die is his debut novel. Sex Slavers is on its way soon.
