Customer Reviews

"Ryan's well crafted words convey the saga of divine succession powerfully and effectively. His selection and use of source material is brilliant and his own creative spin greatly adds to the enjoyment of the account. The unique personalities and motivations of Ouranos, Gaea, Cronus and Zeus move the story forward and greatly invest you in the outcome. Although the ending isn't exactly a surprise, if you're familiar enough with ancient Near-Eastern variants of the tale, it nonetheless took me totally by surprise when I finally arrived there. Very well done Ryan! Jayakrishnan's art manages to reconcile and combine a misty and ethereal otherness with raw elemental power to create a new vision of Greek Mythology. Traditional mythic images are additionally enhanced with elements most often associated with the genre of Sword & Sorcery." â

Hercules Invictus, Voice of Olympus Book Reviews"IA highly recommendÂ Campfireâ™s comics. They do what they are intended to do and do it inÂ a way that excites kids about classic literature."Â â " Chris Wilson, The Graphic Classroom (a resource for teachers and librarians)Jayakrishnan's illustrations are in the best traditions of the superhero genre. Comic readers will find themselves quite at home with his work.... The art work... eminently suitable to the subject matter. â " Jack Goodstein, Blog Critics

My daughter is a fan of Greek Mythology. She absolutely loves these books. The detail in the picture are absolutely wonderful.

My son wanted to learn about mythology but he doesn't enjoy reading. This fit the bill. Informative and beautiful illustrations.

great book for my grandson

I had no contact with this book as it was sent directly to nephew's inmate facility. However, he said it arrived quickly and in excellent condition. He is interested in all mythology volumes and excited to have this in his collection. Thank you!!
