Beth Weber has taught Suzuki violin and folk fiddle since 1979. She has arranged most of the folk music she uses, to co-ordinate with other classical teaching methods she employs. She is the founder and director of The Sandpoint Violin Academy, in Sandpoint Idaho. Students in the academy range in age from five years old to adult and have performed her arrangements of international folk music on various tours in Washington state; Idaho; Montana; British Columbia, Canada; Arizona and in New York City at the United Nations.

Every tune in this book is beautiful! They are authentic and fun to play. The titles are in Austrian with English translations and also the phonetic pronunciation for the Austrian. The music is from various provinces in Austria and include waltzes, marches, mazurkas, polkas, and laendlers. I love the harmonies! The book also comes with a nice comb binding so it lays flat on the music stand.
