## Customer Reviews

It's a great rendition!

Once I opened the package, I realized that this is not the new edition, as the cover photo on the left indicated, but instead the old edition in good condition. This will do, but I was really anticipating having the latest Schirmer edition to own for years to come. Check the edition.

Great version of this wonderful operetta!

Condition as described; fast delivery; good price; cannot ask for more.

Great collection, well dictated

Shows the full score of music for each part that you may want to sing. Sent in Great condition.

Great edition

Arrived in a timely manner and is what I wanted. There are a few wrong notations, but nothing that can't be fixed. For example, missing a dot on what should have been a dotted quarter note in 6/8. No real complaints here!
