Had this when I was a kid. Bought this for my son. He loves it. If you think the show is appropriate for your kids. this book is fine.

I loved this book when I was kid, now my kid loves it! ã â ¢ã â ¤ã â ¤ ã â ¤™

Charming fun book with words of wisdom from Bart :)

My 13 year old son lobed it, but I loved it even more. Brought back a lot of nostalgia from back when I was a kid watching Simpsons.

Great for any fan of The Simpsons.

Good

This was so much FUN! I ordered 2 more for X'mas gifts. The art work was great an it was very sturdy.

I bought this for nostalgia reasons; it reminded me of pouring over this book with my friends back in elementary school. Pick this up for your kid, or for yourself.
