"The latest in Rayâ "TM's popular series of embroidery books (Doodle Stitching: Embroidery & Beyond; Crewel, Cross Stitch, Sashiko& More) focuses on Christmas projects featuring embroidery. This time, Ray has enlisted several popular embroidery bloggers, including Mollie Johansen and Carina Envoldsen-Harris, to bring their own style to holiday embroidery. . . . The enclosed CD includes all of the motifs from the projects, plus a number of other holiday themes, and a selection for a variety of other celebrations such as â -Halloween, the Fourth of July, and Hanukkah. VERDICT Hand embroidery continues to grow in popularity and these appealing and cheery projects are simple to stitch and the patterns are easy to mix and match." â "Library Journal

LOVE THIS BOOK

I LOVE this book. The patterns are so cute and the suggested projects are well-written and very appealing. I will definitely be using this book to make some Christmas projects for next year. The book is suitable for a beginner or an experienced embroiderer. I have a lot of experience with embroidery and I still find it very inspiring.

This book has so many great designs that I have utilized. I love the fact that the book came with a CD of all the designs. This allows for great flexibility in printing the patterns at different scales. It also allows for easier transfer to fabric. I plan to purchase more books from the same author. Great Job!

I'm actually well acquainted with Aimee Ray books, so it really doesn't surprise me at all that I love this collection too. I've had all sorts of fun sorting through the images and making my own little projects. Seriously, the patterns and designs are charming and clever. For people who like the idea of coloring with thread, Aimee Ray provides a great launch pad into the world of doodle stitching.

I love this book. It has example of the most commonly used stitches as well as lots of great ideas for projects that may be combined with EPP.

This is such a helpful book with tips and designs! I'm super excited to start making all of them!!

Love this book. So many beautiful projects to choose from. Worth the \$\$.

Adorable motifs. I have other books in this series and really like them. More than just the typical Christmas and Thanksgiving holidays are covered.
