Synopsis

Go beyond the coloring book with this stunning mandala embroidery kit . . . complete with reusable iron-on transfers! Why should coloring book fans have all the fun? These embroidery-ready transfers make it super-simple to stitch beautiful, meditative mandalas for any craft. Usually, transferring the pattern to fabric is the hardest part, but here you just iron them on and go! Use the transfers to create embroidery-hoop pieces, or embellish favorite bags, shirts, or pillows. Once the pattern is transferred, just take your needle and floss and stitch along the lines to color the designs any way you'd like. The process is easy and relaxing, and the results are gorgeous. Includes 25 iron-on mandalas and 16 pages of basic embroidery instruction for crafters of all levels.

Customer Reviews

The designs in this book are nice. The book itself is great, with the spiral binding and the thin plain paper between each design. But the iron-on aspect is not good. I tried one and about 1/3 of the design transferred and the rest did not, so the t-shirt I was transferring to became useless.

Impossible to line up a half-transferred design. If you are able to work with a light box, that would be the preferable way to use these designs, but that won't usually work on a t-shirt. And you could use regular coloring book pages with a light box.

Wonderful for what I need. The Mandalas are a great size and easy to see the design before ironing.
