Save Your Teenage Driver's Life: Important Strategies To Teach A New Driver Now! (Learn To Drive Series Book 1)

Synopsis

Discover: How to Keep Your Teenager Safe Behind the Wheel!If you could prevent your teenage driver from being involved in a serious traffic accident, would you do it? Hopefully the answer to this question is a resounding, "yes of course." Statistics show that 1 in 3 new drivers will receive a traffic ticket or be involved in a traffic collision within the first year of driving.Driver education programs and private driving schools are great for getting teenagers started on the basic skills of learning how to drive. Unfortunately, they do not go far enough in providing the necessary driving experience required to navigate our nation's complicated highway transportation system.Learn: The Important Strategies All Teenage Drivers Need to Stay Collision Free!Thousands of dollars and many practice hours are spent on youth sport activities and music lessons in this country; however very little time and money is spent on probably the most vital skill: Driving and Surviving on our Nation's Complex Highway Transportation System!The skill of driving a 2000 pound vehicle at speeds over 60 miles per hour requires professional and appropriate Driver Education training. Properly executed driver education lessons in combination with in-car practice time are vital in order to help keep our young drivers safe on our country's very dangerous roads and highways. Parents need to learn how to become critical partners throughout the entire driver education process, and that is what this book is specifically designed to do!Teach: The Important Lessons Every New Driver Needs to Know!"Save Your Teenage driver's Life" details all the critical lessons that need to be reinforced to your teenage driver on a daily basis.The book is set up in short easy to read chapters and provides all the essential lessons and strategies necessary to keep your teen collision free.Buy this book today if you are dedicated to helping keep your teenager safe behind the wheel. It may turn out to be the best decision you have ever made.Download: "Save Your Teenager's Life: Important Strategies to Teach a New Driver Now!"Scroll to the top of this page and select the buy button. Customer Reviews

Very straight forward book. Touches on all the topics without the extra fluff. A good refresher for adults as well!

Having a teenage son getting his license for the first time, this was a great book with lots of helpful information that every new driver needs. Made him read it and will make him read this author's second book too!

Very informative. It enhanced my understanding of my Driver Education course as well as teaching me other helpful tips and tricks.

A quick and easy read that pulls together all the tips and lessons you want to pass on to your kids, and some you've missed. I strongly suggest it to anyone with new or learning drivers!

This is a great book with a large amount of relevant material. It shows the importance of driver education for teens.

This book taught me and my parents about learning how to drive. I recommend this to people learning how to drive.

This book was full of insightful information. I really learned a lot. It helped me stay safe while driving.

Very informative book. I learned a lot of new driving techniques and strategies. This is a must buy!
