American Family Of The Colonial Era Paper Dolls In Full Color (Dover Paper Dolls)

Synopsis

Spanning three generations, an American colonial family of eight is shown in period attire in a variety of situations as they live out the drama of the American Revolution and its aftermath. The 32 authentic costumes are further enhanced by Tom Tierney's well-researched and scrupulously accurate text. Together they offer fashion and costume historians a precise, full-color view of prevailing fashions and trends of the late eighteenth century. Paper doll enthusiasts of all ages will delight in these finely rendered figures in typical Colonial raiment, while aficionados of Americana will follow with rapt attention this sartorial record of one family's progress through pre- and post-Revolution to a final frontier expedition.

purchase

I bought these for my granddaughter and she loves them. Very well made and the designs are so good as well as the write ups on the different styles.

Beautiful artwork, as expected from Tom Tierney paper doll sets. I bought this particular one to go with my daughter's history lesson. She wasn't as impressed as I was, but she's 8 and this is her first ever introduction to paper dolls.

Very good quality paper and love reading the history of the period that is given

Made an excellent gift for the silent auction at our annual reenactment camp! The little girls loved it.

This is outstanding, not only for the pictures but for the historical information in it.

These do not have stands included and women show some cleavage, so a bit disappointed.

Need to be cut out, but design is great
