The Holy Spirit And His Gifts

Synopsis

These classic Bible Study Courses by Rev. Kenneth E. Hagin have been reedited to include chapter review questions to further enhance your study of God's Word. These teachings on the vital subjects of faith, prayer, the Holy Spirit and His gifts, and healing will show you how to live a life of victory and abundance! The Holy Spirit, a Divine Personality, comes to make His home in us when we are born again. Because of the indwelling Presence of the Holy Spirit, there is no need for any believer ever to feel comfortless, bereaved, or forlorn. There is also another work of the Holy Spirit in a believer's life -- the outpouring of the Holy Spirit upon the believer to endue him with power from on High. In addition to discussing this twofold work of God in a believer's life, this Bible Study Course also explains the nine gifts of the Holy Spirit. These nine gifts are divided into three categories -- the revelation gifts, the power gifts, and the utterance gifts. As you study and learn about the ministry of the Holy Spirit, you will become a more effective witness for the Lord Jesus Christ on this earth. Chapter titles include: -- The Holy Spirit Within: His Indwelling Presence-- The Holy Spirit Upon: His Infilling Power-- How Important Is Speaking in Tongues?-- The Bible Evidence of the Baptism of the Holy Spirit-- The Gift of Faith-- Gifts of Healings

The ministry of Kenneth E. Hagin has spanned more than 60 years since God miraculously healed him of a deformed heart and incurable blood disease at the age of 17. Today the scope of Kenneth Hagin Ministries is worldwide. The ministry's radio program, "Faith Seminar of the Air", is heard coast to coast in the U. S. and reaches more than 100 nations. Other outreaches include: The Word

of Faith, a free monthly magazine; crusades, conducted nationwide; RHEMA Correspondence Bible School; RHEMA Bible Training Center; RHEMA Alumni Association International; and a prison ministry.

KEH Hunted this type of Faith all my life. 2nd Peter 1:1 opens with "Simon Peter, a servant and an apostle of Jesus Christ, to them that have obtained like precious faith with us through the righteousness of God and our Saviour Jesus Christ:" 'like precious faith' is rare and precious, indeed. KEH has 'like precious faith' because he not only teaches the Word, but urges us to study it for ourselves. It is precious to find a Bible scholar who doesn't try to dominate, but knows 2 Cor. 1:24 "Not that we lord it over your faith, but we work with you for your joy, because it is by faith you stand firm." Two things I value: 1) To know for myself. 2) To be respected as an equal believer and not 'talked down to' by a leader. KEH lifts us up in Christ: Luke 22:69 "But from now on, the Son of Man will be seated at the right hand of the mighty God." Glory to God!

I would definitely recommend this bible study book. We have learned so much about the Holy Spirit through this book, it's amazing the things that make sense to me now in the bible that I never put together before reading this.. He explains it in a way that you can easily understand it. This is a must read if you are trying to learn about the Holy Spirit.

Wonderful study on the holy spirit and gifts. Kenneth E. Hagin is very thorough and very scripturally based in his teachings. A full gospel look at the gifts of the spirit. Excellent book.

Writer is miss leading...he explains how to receive the Holy Spirit by suggesting one needs to work on to obtain but the fact is as the Bible states when you receive Jesus the Holy Spirit comes to you then and their..

There is SO much great information in this course. Each unit has so much to study and learn.

Great resource to study the different ways and means of discovering the many gifts and how they operate in the spiritual realm.

I have learned so much from this book. I have many questions that are answered now. PRAISE GOD
The Holy Spirit and His Gifts

It's everything I expected. Mr Hagin explains things with such care that it is easy to follow what he says. The concept of being a workbook is good because then I can go back and review each chapter with focus rather than just rereading.
