Fantastic book that just continues to get better. I kind of fell off my reading binges lately but this is one I will always stick with.

The story just keeps getting better.

This is a great series!

I wasn't sure what to classify this series as before this volume. Now it is full fledged fantasy that I believe could contend with Lord of the rings or Game of Thrones. Just awesome, can't wait for more.

This collection continues the story of Mikey, kidnapped a boy to Terrenos and now returned as a fierce warrior. This volume deals with the battle between the mages and Mikey with his allies. With quite a lot of bloodshed and death, this volume carries on this exciting story with the end in

sightEngaging and well-written, this series is well-illustrated and entertaining. Hopefully the next volume will bring everything to a satisfactory conclusion: I don't like series to drag on forever.
