Customer Reviews

If you're looking for an addicting comic to get into DEFINITELY read this one!!! I love this series.

The book came in pristine condition and no issues at all! Would buy again

Great story beautiful art. It's amazing.

Enjoyed it just as much as the first! Can't wait for the next one.

amazing book

Great story, world, art.

The fantasy/horror story and world building of this comic book, paired with the beautiful and sometimes shocking cuteness of the art make this one of the best comics currently running.

A must read!

A wonderful read that I recommend to anyone that is interested in real world consequences mixed with ancient powers and the strength of character
