Internationally recognized as a Bible scholar and spiritual patriarch, Derek Prince (1915-2003) was educated as a scholar of classical languages at Eton College and Cambridge University in England, and later at Hebrew University in Israel. While serving with the British army in World War II, he began to study the Bible as a philosophical work and, as a result, experienced a life-changing encounter with Jesus Christ. Derek Prince taught and ministered on six continents for more than sixty years, imparting God's revealed truth, praying for the sick and afflicted, and sharing his prophetic insights into world events in the light of Scripture. He wrote over fifty books,

which have been translated in over sixty languages and distributed worldwide. He pioneered teaching on such groundbreaking themes as generational curses, the biblical significance of Israel, and demonology. Derek Prince Ministries, with its international headquarters in Charlotte, North Carolina, carries on the good work that God began in and through him by distributing his teachings and by training missionaries, church leaders, and congregations through its worldwide network of offices.

Another life changing book by Derek Prince. I cannot recommend this book enough, and indeed the entire canon of Derek Prince, to everyone seeking sound, direct, and Scripture based edification and growth in his or her Christian walk. Derek Prince continues to toil in God's vineyard, producing great harvest, even though he is physically not on this earth. Glory to God! This is further testimony of His awesome grace, allowing deep revelation of some of Christ's teachings.

I have been a fan of Derek Prince on youtube for awhile, but this is the first book of his that I read. It is the same straight-ahead, simple language, bible-centered style he uses in his recorded material. This book is a very good general overview of the topic.

Very informative on what you need to do to receive the Holy Spirit and if Jesus had him during his ministry, why shouldn't we

This was one great read! Full of knowledge and information that fully supported and or enhanced the ""Spiritual Warfare" class I am current taking.

A+++++
