Customer Reviews

My instant pot has to be one of my favourite kitchen appliances so when I saw this book for 5 ingredients or less I had to get it! As well as the recipes it will tell you what an instant pot is and how to use and clean it, which is great for anyone that is new to the item. The recipes themselves are delicious sounding and tasting. I especially loved the BBQ Beef Soup; 3 of my favourite things, all in 1 dish. I haven't got through even half the recipes yet, as there are so many! but I will definitely be doing so.

I was very overwhelmed by this instant pot cookbook. It has an amazing variety of recipes that you can choose from. I'm amazed by how exhaustive this book is. The book is heaven for anyone who is into instant pot and uses them on a regular basis. This book is a very good guide, providing you with all that you need to know about this kind of cooking method and alongside tips in buying an instant pot cooker .

An amazing book. My grandmother very loves cooked to Instant Pot. And the whole year she cooked for the family same goodies. I bought this book for a gift. And my grandmother was very pleased. Because in this book there are many new recipes that are repeated in similar books. A cool compilation for the lovers of Instant Pot.

ItÃ¢ÂÂs the best solution if you want to spend least amount of time in your kitchen and donÃ¢ÂÂt want to compromise with your taste. The recipes included in this book will give the pleasure you will never want to go back to traditional cooking again. Definite recommendation. Never compromise in taste of food ever again. Happy cooking.

Indeed our time is precious and the last thing we want to do after a hectic day is to spend too much time in the kitchen cooking and cleaning up after we eat. The Instant Pot Cooker is an electric multi-cooker that is easy to use and energy-efficient that is why it is very ideal for us to use it everyday.

As a busy woman I always have no time to cook for my husband and kids but I really want to serve them good foods but I am so tired from work, good thing this instant pot cookbook is helpful for me in deciding what recipe and it is only 5 ingredients. Big help!

Not a great variety of recipes
