Customer Reviews

The story was good and it opened up new questions for what is to come. Can't wait for the next!

Love this series

In this volume (which is meaningless if you haven't read the previous volumes), we are heading for final confrontations and this volume is virtually one long fight between the various protagonists (Kylen, Mikey, Kallista, Mastema) resulting in death and destruction. Still well-illustrated and interesting enough, this volume is worth a look, leading (hopefully) to a last volume. Recommended to those who have read the previous volumes and who want to know how the story progresses.
