Customer Reviews

This is a good book to prepare for the upcoming trooper exam. Only issue I have is that there seemed to be no editor proof reading before publishing the book. There are mistakes throughout. As

well as questions missing. In one section for ability testing example questions there is no question 8 but when you get up to the answer key and explanations there is an explanation for question 8 that doesn't exist. Other than that this is a good book to help study especially since it was just published less than a month ago I can see why there are some mistakes.

Not everything u need to know is in that book

Not very useful, mistakes within the practice exam.
